

POST-LICENSING PROCEDURE

Company's stamp is used to chop on the document along with physical signature.

Vietnam-based enterprises are required to open bank accounts for daily operation.

Business License Fee (BLF) is required to be declared and paid when the company is completely set-up

This step involves with submitting paperwork and purchasing tax token

Once obtaining the licenses i.e. Investment Registration Certificate ("IRC") and Enterprise Registration Certificate ("ERC") for the official legal base of Vietnam-based presence, there are several compulsory procedure that are required to be undertaken by the Company in order to put it in ready-to-operate status. They are named "Post-Licensing" procedure.
