

# BANK ACCOUNTS

Heading to non-cash etiquette in business environment, opening bank account for banking transaction is a must-do task prior commencing operation. E-banking, gradually, plays a key role and is utilized as a functional tool in multiple related services to facilitate all enterprises in doing business. Not aside from this trend, Vietnam-based enterprise is required to open the bank accounts for daily operation.

## DICA ACCOUNT

Beside the current bank account, foreign-invested enterprise (FIE) is required to open Direct Investment Capital Account (DICA) in order for receiving registered capital injection.

Where having foreign loan engagement, loan disbursement and payment are also via DICA.
